

RICOH

High performance black and white & colour processors

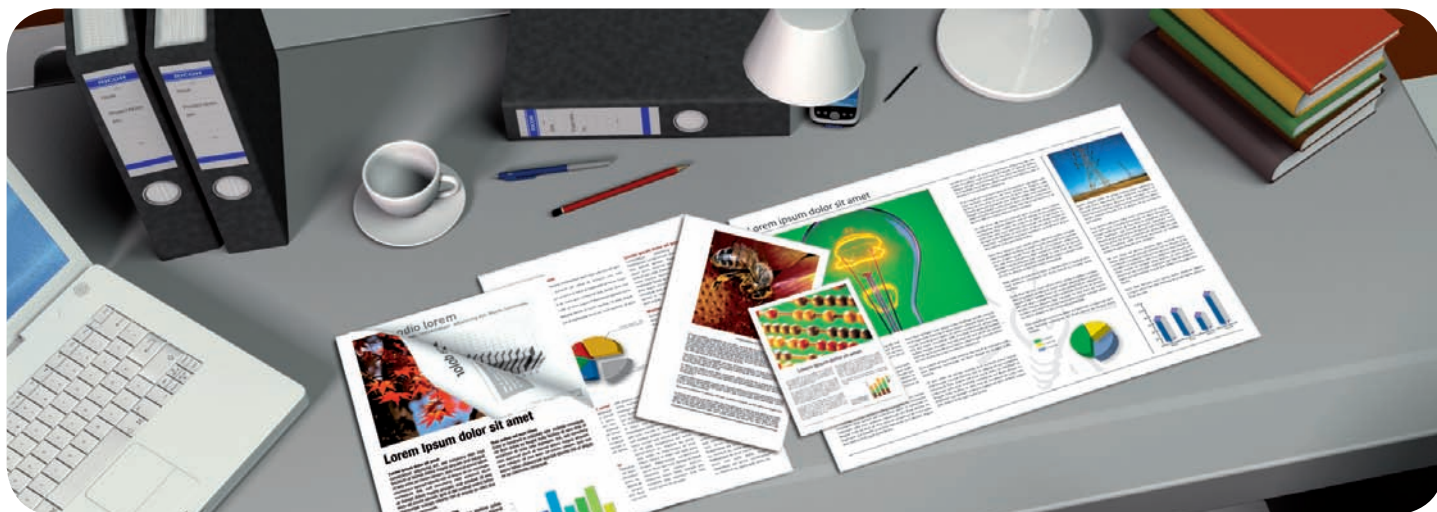

Aficio™ MP C2000/MP C2500/MP C3000

Create Stunningly Finished B/W and Colour Output

Satisfying all office communication needs

In today's hectic office environment, finding a competitive advantage is not a given. As your company's first impression is crucial, colour is the tool to show your business. Add it to your business documents and enjoy the benefits right away! Colour increases involvement, engages the interest and persuades faster: ideal for proposals, forms and invoices. Designed to put you in the lead, Ricoh's MP C2000/MP C2500/MP C3000 offer a wealth of possibilities that support your creativity and productivity. To revolutionise your business image, you can now provide clients with spectacularly finished documents in black and white and colour. Everything you need to achieve high impact results and the business success that goes with it!

- All-in-one: print, copy, scan and fax from one device.
- High quality B/W and colour output at 20/25/30 ppm
- Easy access & intuitive operation via the colour LCD panel.
- Advanced faxing and information distribution capabilities
- Exceptional document handling and in-house finishing.

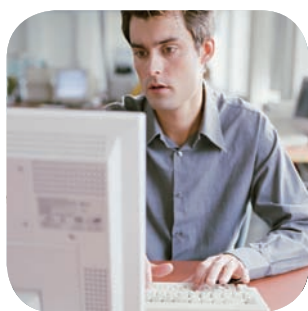

Designed to put you in the lead

Make your complex tasks easy

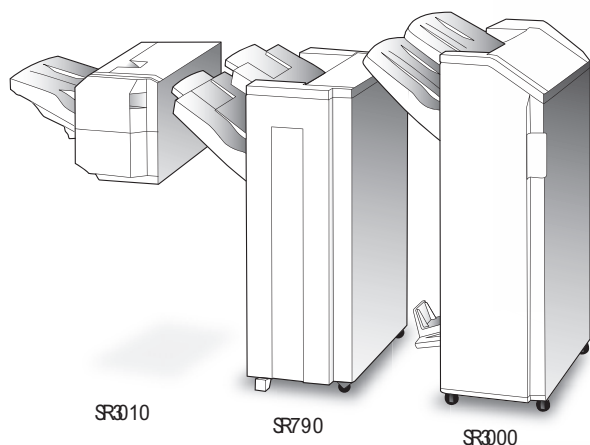

Designed to simplify your daily work, the MP C2000/MP C2500/MP C3000 allow you to create first class documents with the greatest ease. No technical expertise required. The advanced colour LCD touch panel offers you

- The possibility to show only your most frequently used functions
- A preview function for optimum usability and improve accuracy.
- A crystal clear screen that displays text and images as sharp as on your PC screen.
- An interactive guide in case of irregularities

Continuous operation

With a maximum paper capacity of 3,200 sheets, replenishments are down to an absolute minimum. The system even switches to the next tray with the same paper when the one in use runs out. You can continue your work without interruptions.

Finishing experts

Why resort to expensive outsourcing when you can create professionally finished documents in-house? The MP C2000/MP C2500/MP C3000 offer an entire range of possibilities to meet your needs: staple, punch and collate with the 500-sheet and 1,000-sheet finisher or create attractive sales training and presentation material with the systems booklet finisher.

550 sheets

550 sheets

Impress in colour

Boost your business image with high impact colour documents. Colour makes a lasting impression! On top of that, your documents become more attractive and readable. The MP C2000/MP C2500/MP C3000 make sure you obtain expert results with impeccable detail and sharp images. For special applications requiring thick paper such as business cards and cover pages, paper of up to 256 g/m² can be handled via the bypass tray. Everything is available to increase the effect of your business communication!

Our earth, our tomorrow

Like all Ricoh products, the MP C2000/MP C2500/MP C3000 reflect Ricoh's commitment to the environment with the usage of toxic free materials*, limited ozone & noise emission and low energy to net production.

* In compliance with EU RoHS Directive
(RoHS Restriction of Hazardous Substances July 2006).

Power up your office with the latest technologies

Digitally organise, edit and distribute information to save time and costs. Instead of filling archive cabinets, you can easily:

- Digitise documents and store them on the document server.
- Share documents by scanning it to the address e-mail address or a specific folder.
- Avoid network overloads and prevent huge e-mail inboxes by sending an e-mail containing a URL address

Top multifunctional performers

When you are looking for a digital copy/print/scan solution or a full blown multitasker with fax and finishing capabilities, the MP C2000/MP C2500/MP C3000 can be customised to suit your specific needs. In fact, you can process all your documents using one compact multifunctional device: cost efficient and space saving! The system warms up in a mere 45 seconds and your first black and white jobs are ready in 6.7 seconds*. Colour prints and copies are on your desk just as fast as black and white documents at 30 pages per minute (20 ppm for the MP C2000 and 25 ppm for the MP C2500) your productivity is never compromised.

* Full colour: 9.7 seconds

Safeguard access & information

Protect your business against possible security threats with the latest in authentication, temporary data overwriting and unauthorised copy prevention:

- Advanced session limitation:
Windows® authentication & colour usage restriction.
- Prevention of industrial spying & information leaks
Data overwrite Security Unit.
- Watermark protection to rule out unauthorised copying.

Embedded Software Architecture™

Using Embedded Software Architecture™, an innovative Java™ (J2ME™) compatible software platform, you can design customised key applications to facilitate your document workflow. For more info, please visit www.ricoh-developer.com

Distributing scanned documents is easy: you can store them on the device's Document Server, send them to any e-mail address in the world or directly to a specific folder on the network.

 COPIER

Copying process:	Laser scanning & electronic printing		
Copy speed:	MP C2000: B/W/ full colour:	20 copies per minute	
	MP C500: B/W/ full colour:	25 copies per minute	
	MP C300: B/W/ full colour:	30 copies per minute	
Resolution:	600 dpi		
Multiple copy:	Up to 999		
Warm up time:	Less than 45 seconds		
First output speed:	Black and white:	6.7 seconds	
	Full colour:	9.7 seconds	
Zoom:	25 - 400% (in 1% steps)		
Memory:	Standard	1,024 MB + 40 GB Hard Disk Drive	
Paper input capacity:	Standard	2x 550-sheet paper trays 1x 100-sheet bypass tray 320 sheets	
	Maximum	1,500 sheets	
Paper output capacity:	Maximum	1,500 sheets	
Paper size:	A6 - A8		
Paper weight:	Paper trays	60 - 216 g/m ²	
	Bypass tray:	60 - 256 g/m ²	
	Duplex tray:	64 - 169 g/m ²	
Dimensions (W x D x H):	650 x 659 x 740 mm		
Weight:	Less than 120 kg (with ADF)		
Power source:	220 - 240 V, 50/60 Hz		
Power consumption:	Operation:	Maximum 1.5 kW	
	Energy save mode:	Less than 99 W	
	Auto Off mode:	Less than 8 W	

 SCANNER

Scan speed:	Maximum 50 original per minute (MH, A4)
Resolution:	Maximum 1,200 dpi (1,200 dpi TMA Black and white, grayscale)
Original size:	A5 - A8
Output formats:	PDF / JPEG / TIFF / High compression PDF
Bundled drivers:	Network, TMA N
Scan to e-mail:	SMP (optionally with POP authentication)
Destination addresses:	Maximum 500 per job
Stored destination addresses:	Maximum 2,000
Address book:	Via LDAP or locally on Hard Disk Drive
Scan to folder:	SMB or FTP protocol (with login security)
Destination:	Maximum 50 folders per job
