# Superfast Business Broadband delivering reliability, security and flexibility.

Midshire Business Broadband, giving you speeds that are up to 10x faster than your average, so you can get more done!

- ✓ The fastest speeds possible at the busiest times
- ✓ Fully featured, high speed broadband
- ✓ Tailor made to fit your business requirements
- ✓ Excellent service levels and support

Our technical knowledge and expertise enable us to tailor your data connection to meet the specific needs of your business, using the fastest speeds possible, from your location.

We offer a variety of business critical fibre solutions. Providing greater flexibility for us to meet our customers diverse needs for speeds and download allowance.

## Improve sales, service and productivity with a faster, permanent internet connection.

High speed, reliable internet connection that offers speeds of more than 10x faster than your average, for less than you're currently paying.

- ✓ Bespoke solutions for your connectivity
- ✓ Future technology
- ✓ Management and complexity
- ✓ Huge cost savings
- ✓ Competitive edge for your company

---

**70% of smaller business operations across the UK are relying on domestic broadband.**

**A predicted 89 million in labour costs and up to 8.5 hours of staff downtime is wasted a month as a result.**

## Our range of Business Broadband:

- ✓ ADSL
- ✓ Fibre Connectivity
- ✓ MPLS Networks
- ✓ EFM
- ✓ Ethernet
